Re: Donald Mack Bennett v. Dr. Bailey, P.A. Rose Dickerson and Westchester County Correction Health Services Inc.
07 Civ. 7002 (PKC) (THK)

Dear Magistrate Katz:

I am writing to respectfully request that the deadline for discovery in the instant case be extended for an additional thirty days.

During the last telephone conference held with this Court, Plaintiff indicated that the basis for his complaint was inadequate medical treatment, and improper substitutions of prescribed medications. Currently, the director of medical services at the correctional facility is reviewing Plaintiff's medical records and treatment to determine if the matter can be addressed and resolved to Plaintiff's satisfaction internally.

As such, I am requesting that the Court extend the discovery deadline until July 16, 2008, in order to complete the review and if necessary, continue and complete discovery. Thank you for your consideration in this matter.

Very truly yours,

Fay Angela Jones
